

Patriot to Passenger Bridge Project

Mayflower lines through wives of Patriots are shown with *

Generations 6,7,8 are only documented as far as the 5th generation in

Mayflower books and are documented from other sources.

Note: The General Society of Mayflower Descendants (GSMD) continues to update information but with the increase in DNA testing and the increase of internet information there are now some lines of descent that have previously been approved and published in the silver books that are now listed as "rejected" or "on hold." The Patriots to Passengers project is a compilation of many sources but has depended mainly on the silver books for the first five generations and no longer should be used as proof until checking with GSMD for updates.
